- 900 OUD treatment

[ 2/3 receiving outpatient  
- MAT ]  
→ maybe 1500 to be in treatment

---

REDACTED

—

■

5/13/20 Superintendant of  
Cabell schools

Board of education

440 new students in school  
system  
w/ opioid abuse/neglect  
backgrounds

Kids in Cabell

Behavioral issues

Support services at home no longer  
↳ live w/ grandparents

last 5 years ↑ in school psych  
Speech

Behavioral

add \$14 counselors

many social workers  
etc.

lost about 1200 students (? why)

had to increase autism  
and special ed aids

Tim, Kerry Watts

Overall need of support

Heather

- Positive behavior support systems
- Kids are frequently moving in and out of the country
  - ↳ difficult to plan for optimal training

Side effects of medications

REDACTED

Tom

- what about school performance

\* Huntington High had lowest graduation rate in all of West Virginia

Kelly - working w/ Marshall Health

New School in Downtown Huntington

- 1/2 of kids in public school system come from someone other than a parent

DHHR

- Vaping

( - drug courts

→ marijuana at high school level

- Random drug ~~screen~~ screen  
all tech ed students

↓  
detriment for some students

School system - kids in trauma & emotional issues

↳ all Title I schools which  
are high poverty  
most living in trauma  
every day.

→ most kids are still in elementary  
& middle school

Schools in Huntington are in poverty,  
but not just a poverty issue  
↳ opioid epidemic

affected population  
well beyond those in  
poverty

Citizens

1700 employees in the county

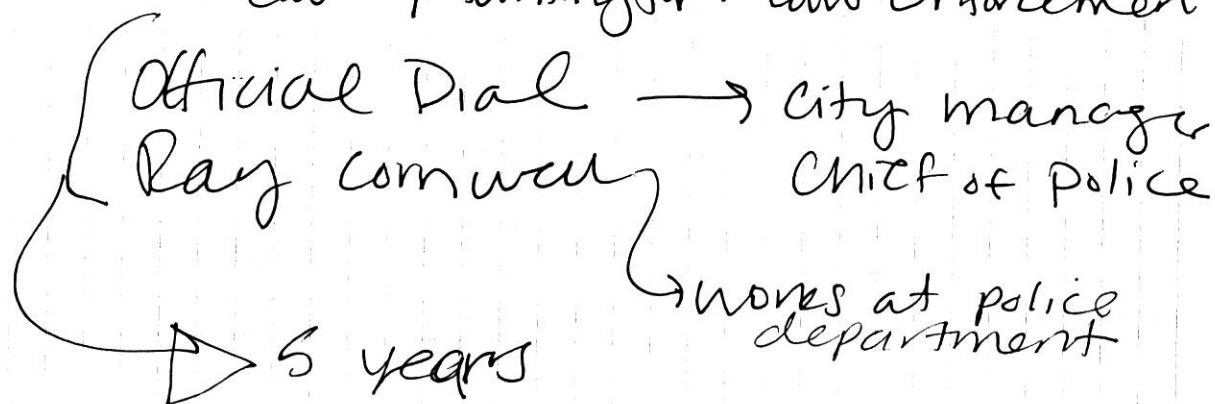

451 students in homeless shelter  
13500 in the school district

REDACTED

5/20/20

Cabell/Huntington Law Enforcement

Large Population w/ substance use disorder

24 overdoses  
w/in 4 hours

-raid a house + search  
crime scene  
help folks go into  
recovery

- Violence came to huntington
  - homicide rates quadrupled

"Typical crack addict"

VS

regular working class people

Hurt on the job → given by doctors,  
turning to the street

Drain on resources

- equipment
- recruit
- return

Domestic Violence goes up

Courtney Hessler

→ drug related  
homicides

- Families

- Naloxone carrying (other harm reduction)

- COVID impact?

→ everyone affected

Shortage in Foster Homes in WV

Protocols where school was notified  
if kids exposed to violence

→ naloxone from health department  
signed out, now more of an  
EMS thing

Harm reduction ~ quick response team

↳ made having heroin in your  
system an ordinance

↓  
so that you come to  
court and have  
the opportunity to  
come to drug court  
instead of jail.

Police provides fast strips

Cabell EMS

5/26/20

Gordon Merry

↳ director

Marsha Knight

Steve Murray

241

→ 103 this month

52 last month

↳ increase in  
overdoses in the  
last month

- Medic Suicide

2019 83

2020 111

Naloxone  
army

Have it all on record

Problem started

w/ Addictive personality

& low income

→ overdose not a big deal

Cabell EMS

5/20

Addiction started b/c of  
pills

Huge mental health toll

QRT - Quick Response Team

Shootings

Garner Merry data -  
has all the data
